### TIGERS WIN A VALLEY TITLE

Victory Over Kansas Saturday Night Brings Basketball Championship to M. U.

Missouri's superiority on the basketball court has again been demonstrated. A third Valley championship has been brought home. The fourth victory this season over the Kansas five clinched the championship Saturday. The final score was 41-30.

The Tigers played with confidence against the Jayhawkers. There was no denying the Ruby-Cleveland team that presented a bewildering offensive, led by George Williams. Williams' contribution on the second evening was 7 field goals and 11 fouls out of 12 attempts.

As on the previous evening the Kansas fans admired his marvelous accuracy in hitting the hoop, from any position, with either arm. Kansas City sport critics speak of him as "one of the most versatile basketball players the Valley has ever developed."

The entire Missouri team displayed rare form. The Jayhawkers were successful in tying the count at 18 apiece at the end of the first half. Early in the last period the Tigers stepped into the lead and were never headed.

The Missouri championship quintet will close the season this week with the Kansas Aggies at Rothwell gymnasium. The Tiger coaches are now pointing toward an all-victorious season, with an 18-game schedule this would establish a new record in the Missouri Valley Conference.

The work of the Tigers this season has probably been the most sensational of any that has ever been seen in the Valley. Too much credit cannot be con-

ceded to Craig Ruby, who has been actively in charge of the Missouri team, and the entire squad which has labored faithfully for an excellent record.

### TRACK HONORS TO HAMILTON

Williams Also Stars for M. U. in Annual K. C. A. C. Indoor Meet.

Brutus Hamilton and "Fuzzy" Williams starred for Missouri in the annual K. C. A. C. indoor meet at Convention Hall Saturday night. Hamilton won the individual honors over Bradley of Kansas by taking the pole-vault and by placing in both the 12 and 16-pound shot-puts. Williams was responsible for one of the biggest surprises of the meet when he defeated Wright, Western Conference champion, running for Nebraska, in the high hurdles. Gallagher of the Aggie won over Williams by a narrow margin in the low hurdles.

The Missouri relay team came through in wonderful shape, winning over the Nebraska runners in a dual race, and making the best time of all Valley relay teams which raced in Convention Hall. The time was 3 minutes, 34.45 seconds. Rooney, Kershaw, Hill and Captain Parker ran for the Tigers in the order named.

The large entry list made conditions on the track crowded and there was considerable fouling. If a runner was unsuccessful in drawing a favorable position on the track he had little chance to place in that particular race.

Coach Simpson expressed himself as satisfied with the showing of his athletes, everything taken into consideration. The meet was little more than a tryout for many of the men, and the Missouri mentor is now in a position to know better who will make up the squad which goes to Illinois this week.

Missouri runners were shut out in the open 50-yard dash. Deering, Nebraska, Gallagher, Kansas Aggies, and Bradley, Kansas, were the three medal winners in this event. In the 50-yard low hurdles, which was won by Gallagher of Kansas Agricultural College, Williams and Hart of Missouri took second and third positions.

The Shannon Douglass Cup race, 600 yards, went to the veteran Watson of the Kansas Aggies. Saville of Missouri was running an excellent race in this event when he fell on the third lap and sprawled out on the track. He had stepped in a hole while attempting to pass on the outside of an opponent.

Zercher of Missouri took third in the open 880-yard run. Higgins of Ames was the winner.

Bradley and Sandfur of Kansas were first and second placers in the 12-pound shot-put, with Hamilton in third place. Sandfur also won the 16-pound shot. Hamilton was third. Slater, a Tiger freshman encountered stiff opposition in the high jump, but won third money. His opponents cleared the bar at one inch over 6 feet. Kansas won from the Aggies in a mile relay event.

Hamilton showed phenomenal form in the pole-vault, clearing the bar at 12 feet even. This mark was made in a jump-off when the three contestants had tied at 11 feet, 8 inches.

have heard such terrible things about "prize fights."

Hardly a minute in the day but what the mobogany benches in the waiting room are occupied with battered faced, tin-eared groups of high financiers. Some of them are looking for licenses opening the doors to prosperity, others are there to complain.

One little hantam recently wanted the commission to collect \$6 that a former manager had owned him for four years.

### BOND STARS AT GOAL SHOOTING

Will Return Next Year and Help Form Nucleus of Another Team.

One of the important factors in the Missouri victory over Kansas Friday evening was the phenomenal basket shooting of George Bond of the Missouri tribe. Bond has played unusual basketball this season.

Bond Forward

He was unable to break into the game to any great extent last year because of the great pair of forwards that he was competing against, Scott and Ruby. This year, however, he has come into his own and has been hitting the hoop with great regularity. He is probably the second highest scorer on the Missouri quintet. He is usually pretty well covered by the opposition, but when allowed to go free he is good for a shot from almost any angle.

He will be back next year and will be one to help form the nucleus of another wonderful five.

AFRICAN CHIEF PLAYS ROUGH Indian Official Says They Have No Sport in Afghanistan.

LONDON, Feb. 15.—(by mail).—They have no ideas as to sport in Afghanistan, according to Sir Francis Younghusband. The famous Indian administrator told the Royal Geographical Society that while playing polo there he was accidentally stunned by a blow on the head. On recovering, he found that the local chief had put the "culprit" in irons. The chief said, "Would you like him killed now or in the morning?"

M. U. SCORES 2,665 POINTS Total of Ames Rifle Team Is Not Yet Reported.

The University R. O. T. C. rifle team

scored 2,665 points in the match with Ames Friday night. The Ames score has not yet been telegraphed here from Ames. The Missouri score is somewhat lower than that of some of the previous meets, due to the absence of C. J. Watson, captain of the team, who is in the hospital.

C. A. Reneger led the scoring with 182 of a possible 200, equalling Watson's record made last Monday. Scores made by the other members of the team are: N. C. VanZant 177; W. E. Booth 177; Thomas Parks 175; L. E. Piney 175; F. A. Thompson 174; W. Burford 170; Z. G. Young 170; W. H. Benton 169; L. J. Needles 164; C. M. Hull 158; S. L. Cyron 157; R. D. Waddell 155; Glen Wade 150; E. H. Gallison 150.

CHARITY FUNDS NEEDED The Charity Organization Society is in need of funds.

Owing to the fact that there have been so many calls on the people of Columbia to donate to outside worthy causes, there has not been as many contributions to the local charity work this year as formerly. A few of the business districts have not yet been canvassed, but they will be before or during the first week of March.

If everyone who has not been solicited this year would double their subscriptions of last year—which we are not asking them to do—we would still be several hundred dollars short of the amount which was raised last year. People in the resident districts who were missed in the canvass or those who wish to increase their donation will please send checks to W. K. Bayless.
